Ballet Tiburon – Fall 2026 Tuition Rates

August 17th to December 19, 2026 (Holidays: 9/7 & 11/23-12/5)

For children, we require a base number of classes per week so that your child can safely learn ballet skills and techniques. Pre-Ballet and Minis should take one or two classes per week. Ideally, beginning Juniors take two classes per week, while advanced Juniors take three to four classes per week. Age ranges are listed as a guideline only and placement may vary based on skill level.

We also have limited availability for private instruction for students wishing to accelerate their technical progression. There is a $50 registration fee for students who are new to Ballet Tiburon.

Late additions are welcome - tuition will be adjusted/prorated based on number of classes remaining.

Pre-Ballet I (Ages 18 months – 2 years) OR Pre-Ballet II (Ages 3-4)

Offered multiple times per week, each class is 30 minutes (8 students max per class).

Ballet Tiburon – Teen & Adult Fall 2026 Rates

August 17th to December 19, 2026 (Holidays: 9/7 & 11/23-12/5)

For adult and beginning teen classes, some choose to attend once a week to keep moving, while others take class multiple times a week to maintain flexibility and improve technique. Using body resistance, ballet is an excellent workout to build strength and stamina.

The beginning teen and adult classes will start with positions, body alignment, coordination, strengthening legs and feet, stretching, turns, light jumping. The adult/Intermediate advanced class is a higher-level class that has full barre and full center including adagio, turns, and jumps. This is a great class if you were a previous dancer, if you are looking for a more challenging workout, or if you have had some ballet exposure and are looking to learn advanced techniques.

Monthly Rate:	$125 – **Reserved** Space in Specific Time Slot
4-Class Punch Card:	$125 – **Unreserved** Space in Any Time Slot
Drop-In Rate:	$35 per class

Teen Beginning Ballet (Ages 15 and Up)
