

# Ballet Tiburon – Winter/Spring 2026 Tuition Rates

---

***January 5th through June 5, 2026 (Holidays: 4/6 – 4/11 & 5/25)***

For children, we require a base number of classes per week so that your child can safely learn ballet skills and techniques. Pre-Ballet and Minis should take one or two classes per week. Ideally, beginning Juniors take two classes per week, while advanced Juniors take three to four classes per week.

We will have a Spring Showcase on May 9<sup>th</sup>; location to be announced.

We also have limited availability for private instruction for students wishing to accelerate their technical progression. There is a \$50 registration fee for students who are new to Ballet Tiburon.

Late additions are welcome - tuition will be adjusted/prorated based on number of classes remaining.

*January 5th through June 5, 2026 (Holidays: 4/6 – 4/11 & 5/25)*

For adult and beginning teen classes, some choose to attend once a week to keep moving, while others take class multiple times a week to maintain flexibility and improve technique. Using body resistance, ballet is an excellent workout to build strength and stamina.

The beginning teen and adult classes will start with positions, body alignment, coordination, strengthening legs and feet, stretching, turns, light jumping. The adult/Intermediate advanced class is a higher-level class that has full barre and full center including adagio, turns, and jumps. This is a great class if you were a previous dancer, if you are looking for a more challenging workout, or if you have had some ballet exposure and are looking to learn advanced techniques.

Monthly Rate:                      \$125 – **Reserved** Space in Specific Time Slot
